We are excited to offer you a fantastic opportunity to make a difference right here at the Jacksonville Beaches communities. Not only will you be able to improve lives but have fun doing it.

NOTHING SAYS FLORIDA LIKE SUN,
BLUE SKIES AND GOLF.

Team up with the Oceanside Rotary Club and Beaches Habitat for Humanity to change lives. Your sponsorship will enable these two organizations to continue their work in charitable giving and building affordable housing at the beaches. Over the years this golf outing has raised over \$500,000 which built several Beaches Habitat homes, a skateboard park in Atlantic Beach, and a special needs playground at Neptune Beach Elementary. Keeping the ball in the beaches fairway has also allowed us to renovate the Beaches Boys and Girls Club, the Girl Scout building at Jarboe Park, and numerous projects at Fletcher High School, including providing scholarships. By joining forces with us, your company can score a hole-in-one in positive brand association and your sponsorship will lift your game and your golf ball and send them flying to the green.
