Beach Bash

October 23, 2021 at 6 p.m.

*Celebrating 30 years
of Homes, Community & Hope.*

About Us

Benefitting Beaches Habitat for Humanity

In the Jacksonville Beaches, it is nearly impossible for a family earning a modest income to afford a home. People who serve as an essential workforce here at the beach, like grocery store clerks, nursing assistants, and childcare providers, find it increasingly difficult to provide a secure and stable home for their families. Our community's elderly population are also vulnerable, often struggling to remain in their homes as maintenance becomes more challenging and limits to their mobility make navigating their own home more difficult.

In the last 30 years, Beaches Habitat has built more than 350 new homes and renovated or repaired more than 70 homes in the Jacksonville Beaches communities. As a result, the families we serve have access to safe, decent housing that would otherwise be out of reach, along with educational opportunities that will forever change their lives and futures. Our Senior Repair Program addresses health and safety issues so that seniors may remain in their homes.

Right now, Beaches Habitat is the only homebuilder in the Jacksonville Beaches providing opportunities for low-income families to buy a home at a price they can afford. As a local organization, we rely on you, our community, to support our programs. The gift you make to Beaches Habitat will stay close to home, with home construction and repairs focused on your friends and neighbors within the beaches.

We are dedicated to empowerment, not entitlement. Families who are approved for our program work alongside staff and volunteers on the construction site and also attend classes so that they can prepare for home ownership. Thank you for joining them and us as we work together to build homes, community, and hope.

Beach Bash

Our Event

With its 18-year history of food and fun, Beach Bash is your opportunity to partner with a well-known local non-profit. Our 2019 event brought together more than 300 business leaders, elected officials, philanthropists and media members to raise critical funds for the work of Beaches Habitat for Humanity. In 2021, our new venue, the Jaguar and Land Rover dealership, can host an even larger group of our communities' most influential people. Join our Honorary Event Chair, Dan Fields, President of Fields Motorcars of Florida, for this can't miss event!

Vic Micolucci of WJXT's Morning Show will act as the Master of Ceremonies for an inspiring program to celebrate our 30th anniversary. Back by popular demand, guests will enjoy our "Ultimate Chef's Challenge," sampling dishes from some of the area's best restaurants to choose one "Best Chef" in a friendly competition.

It will be an unforgettable evening, featuring live music by the Bay Kings, live and silent auctions and gourmet local food. You don't want to miss this opportunity to be recognized for your generosity while helping to build homes and hope in your community!

Premier Sponsorships

Title Sponsor | \$25,000

- 20 tickets to the event
- Opportunity to speak in the program and be recognized
- Name or logo with “Presented by” appearing with event name on all promotional materials and signage
- Name or logo on all mailed, emailed, and printed event communications
